

CHICAGO WILDLIFE

Jane and her Alligator Club friends discovered lots of animals in their backyards! Can you find some of these animals in your own backyard?

Squirrel

Bunny

Raccoon

Skunk

Opossum

Groundhog

Many animals call the Evanston and Chicago area home...

But some of them are easier to find than others!

Coyote

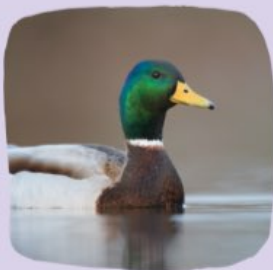

Firefly

Pigeon

Goose

Duck

Beaver

Which was the easiest animal to find? Which was the hardest? Are some animals easier or harder to find in the Fall than in the Summer?

CHICAGO WILDLIFE

What kinds of leaves can you find in your neighborhood? Paste them here! Don't forget to label where you found them - explorers always keep record of their discoveries!
